School Supply List

Peaceful Beginnings 4K
2018-2019 school year

1 - family photo (Please write your child's name on the back)

This is so important I put it first!!!! Students miss their family and having a picture hanging in the classroom is extremely important. Not only that, your child can take their family photo off the wall and wear it over their heart while they are at school when they are missing those they love. Writing your child's name on the back helps me get it in the right spot for the first day and helps me learn all my student's names. THANK YOU!!!

1 - large backpack

Some back packs are smaller and a folder will not fit. Also, winter clothes will need to be brought to and from school so a larger bag will fit all your child's things throughout the year.

1 - folder with name written on the front

You, your child, and I need somewhere safe to tuck all our important papers into

1 - 3 ring binder 2" any color

Each student will have a school portfolio to show learning and growth in the classroom

1 - complete set of clothes

Shirt, Pants, socks, underwear. Please put the set in a ziplock bag with your child's name as they will be stored in the classroom until needed.

1 - package of laminating sheets

1 - square box of tissues

1 - item from the classroom wishlist

Please use the QR code or https://goo.gl/LwcEzi

My list is short because I do not need your child to bring everything for the whole year. The classroom wish list will always be available to you and as we need things for the classroom I will remind you to check. If you are able to bring something in that would be wonderful and the students and I would be grateful. Thank You!
