Old Business

Fall Fundraisers - wrapped up and went really well. Jerky - \$2200 profit, cheesecake under \$2000. Opt out - \$650. Total profit ~\$4800. Sold 328 bags of jerky, 227 cheesecakes.

Trunk or Treat - went pretty good! Scrapyard Smokeyard canceled at 2 which was unfortunate, but Kwik Trip was great and jumped up to help. Sold out of 15 pizzas, some families didn't get to it. 62% attendance rate. Gnome games went well, they gave us some coupons to send home to kids to help support their business. Some families purchased games that night(new this year). Kids mentioned at school they were going to use that coupon. 30 minutes seemed better than last year, kids were going around multiple times. Deposited \$593 from Trunk or Treat - expenses like paying kwik trip, tablecloths might not be out. About a \$114.75 profit.

Lil' Shoppers Shop

Santa's Workshop starts the week of 12/4-12/8, which matches up with conferences. Kids can shop for gifts, wrap them, and take gifts home for family members. They will ship us boxes, and we put them out. Pricing is by color - Green is \$1, blue is \$2 - so kids will just see colors. We send the items back and they will send us an invoice. Prices range from \$1-\$12. Need to get flyers out for families, items are shipped. Niki and Crystal will open and get flyers ready. Hope Squad can help out with wrapping, parent volunteers. Kids can shop during recess and classes can sign up. Can be open Dec. 5th for conferences too. 20% Profit.
