End of the school year we will make a visual thank you to families with what PSO has done for the students at FV.

We talked about the school forest and would like to explore grants and donations and committees.

Jennifer is going to send staff an email on behalf of the PSO asking how PSO can support their classroom and student educational needs.

We also talked about ways to be more present and have more parent involvement. We will continue to look at ways to be more visible. Kayla had some great ideas.
