

PTO Agenda
Tuesday, January 11, 2022
6:30 pm @ Glenbrook Library

- Principal's Update - Kurtis Sufka
 - The bus drivers/garage staff really appreciated the gift card and treat. The students were excited to be involved in distributing them. Pictures were posted on Twitter.
 - Official dates for the Artist in Residence are March 14-25th.
- Financial Update - Becky Backes
 - Treasurer's Report: We currently have a balance of \$17,421.34 (see Report for list of all deposits and withdrawals). The paperwork for our tax exemption was also filed.
- Community Updates & Upcoming Events
 - Teacher Appreciation Day: The discussion of a special treat for teachers/staff given out 1x per month was carried over from the last meeting. It was decided that teachers/specialists would receive \$50 in January to use on classroom supplies. Receipts are due in the PTO mailbox by Feb. 11th. We are looking at providing a breakfast bar in February, a coffee day in March, some sort of spa treat (Lisa M. suggested contacting Frog Pond Botanicals) in April, and then doing our regular staff appreciation week in May.
 - Scholastic Book Fair: Lisa M. has taken over as the chair for the PTO. The book fair will again be held during spring conferences.
 - Spring Fundraiser: Becky B. will check with Polish Chicks N Dip to see if there are any changes to the fundraiser info they provided us two years ago. Other fundraising ideas will be looked into by Kurtis.
- Open Floor
 - Box Tops for Education: Angie N. will create a flyer for one last collection (sent in by Feb. 15th) before the mail-in program ends. It will also include a reminder that the program is now completely digital and easy to use.
 - Becky B. provided some info about our artist in residence, Sandy Melroy. She will be working with the students on a form of silk painting and providing some instruction about the history and science of it. Each K-5th grade student will be able to complete at least one individual silk painting as well as work on a collaborative project - a mural. She will also be documenting the entire process and compiling it in a book for Glenbrook.

- Wayne P. wanted to mention his appreciation for the new audio system that the PTO helped purchase. A number of community groups and school teams have already been able to use it and it's been an enhancement to their programs. He is looking forward to being able to use it for concerts in the future.

Our next meeting is at 6:30 on Tuesday, February 8th in the Glenbrook Library.
We hope you can join us!
