

PULASKI COMMUNITY  
SCHOOL DISTRICT

ADMINISTRATION

This morning, the Pulaski Community School District was made aware of a threat toward Pulaski High School. This threat made mention of a bomb on the premises. Out of an abundance of caution, authorities, in cooperation with district administration and law enforcement evacuated all high school students and staff to the middle school. No one was injured during this evacuation.

At present, law enforcement are making a sweep of the building securing the premises as well as ensuring there is no direct threat to students. Please do not attempt to come to the middle school to pick up your student(s) in order to keep all students safe and accounted for at this time. We will notify you when we have been given the all clear.
