

PULASKI COMMUNITY
SCHOOL DISTRICT

ADMINISTRATION

Sept. 26, 2023

The threat we received Friday continues to be investigated by authorities. A similar threat was shared with local media this morning. School cameras were checked and the building was secured overnight. The perimeter and roof was also checked by law enforcement. After meeting with law enforcement, and though the threat was similar, we deemed it precautionary but necessary to evacuate the building. We are awaiting a K9 explosive dog to arrive and check the building.

Students have been evacuated to the PCMS Gym. Please do not attempt to come to the middle school to pick up your student(s) in order to keep all students safe and accounted for at this time. We will notify you when we have been given the all clear.
