

Law enforcement has made a sweep of prominent areas and the exterior of the building that could be a threat to students and staff. As of 11:22 a.m., law enforcement provided district officials with the all clear to reenter the school. Students and staff will be released from Pulaski Community Middle School to return to classes at Pulaski High School.

We highly encourage you to keep your kids in school. Based on our work with law enforcement, the school is safe and secure. Students will not be dismissed from PHS without following our typical attendance office protocols.

We want to thank all of the staff and students at PHS and PCMS for their cooperation during the evacuation.

A further message will be coming forth with details on the PCSD action plan to multiple similar threats. We are working with other districts and law enforcement agencies that have had similar multiple threats occur and their responses and action plans.
