TITLE 1 SERVICES

An overview of our Title 1 Program

Fairview Elementary
School

What is Schoolwide Title 1?

Title 1 is the nation's largest federal program for schools. It provides funding for increasing student achievement in schools based on the economic level of the families in a school's attendance area.

The purpose of Title 1 is as follows:

- generate high levels of academic achievement for all students
- improve professional practice and curricula
- create family engagement opportunities

Home-School Compact

A compact is an agreement between the teachers, parents and students that says we will all work together to ensure academic success for every child. The compact will be shared with you during the APTT meeting Thursday, October 13th.

How Can Parents Be Involved?

- Attend Academic Parent Teacher Team (APTT) meetings
- Sign up for Seesaw and have open communication with the classroom teacher
- Join our Twitter feed @PCSD_FV
- Follow your child's classroom teacher on Twitter

Parent Involvement WE NEED YOU

Parental Involvement is an important piece of the Schoolwide Title 1 plan. The staff at Fairview recognizes that families influence their child/ren's education more than any teacher. Multiple studies show how parent involvement increases student achievement, lowers absenteeism, increases confidence and even improves behavior.

How Does Title 1 Work?

- Our school district identifies eligible schools and distributes federal dollars to provide services.
- Title 1 schools identify students most in need of help.
- School provides interventions for struggling students.
- School provides additional professional development for staff.
- School provides additional supplies, materials and technology.
- Each staff member is highly qualified per federal Title 1 guidelines.
