Chics 'n Dip

Friends and Family,

Thank you for participating in the Chics-N-Dip fund raising program. We are excited to be a part of your program and looking forward to working with you. Our company was started by two women looking to bring their love of cooking and entertaining into homes throughout northeast Wisconsin and beyond. We are proud of our perfectly blended dips, sweet dips, treat mixes and much more. Each product is perfectly crafted in our state of the art licensed kitchen. All of our products are carefully blended in small batch increments, eliminating the need for harmful preservatives or added salt. We create each and every recipe ourselves to ensure our products are full of flavor when you make them. We always have your favorites on hand and we hope you will check our website often for new and exciting products. Good luck on your fund raising efforts, we truly hope your fund raising goals are easily met. If there is anything we can do for you or if you have any questions, please feel free to email us at: chicsndip@yahoo.com

All our best,
Nora and Jen
