

Glenbrook Families,

Valentine's Day will again look different in our schools this year. Please follow the instructions below if you choose to have your child participate in the Valentine exchange.

- Valentine's exchanges will happen in classrooms on Monday, February 14, 2022.
- If your child is participating in the exchange please send an exchange item for all students in your child's classroom/cohort. Students will only be able to exchange items within their classroom/cohort.
- Exchanges can include Valentine cards, small stickers and/or small, pre-produced and pre-packaged candy.
- We will not be allowing any large food items in the classrooms (baked goods, snacks for the class, etc). Please don't send these types of items to school.
- If you decide that you don't want your child to participate in Valentine's exchanges, please make your child's teacher aware so that we can make other arrangements here at school.

If you have additional questions please reach out to your child's classroom teacher or contact the school office at (920) 822-6100.

Sincerely,

*Kurtis Sufka*
