

A collection of festive Christmas decorations is arranged on the left side of the image. It includes several red and white striped candy canes, some standing upright and others lying down. There are also two round, red and white swirled lollipops. A small red Christmas ornament with a gold cap is visible. A sprig of green pine needles is accompanied by two brown pinecones and a cluster of red holly berries on green leaves. The entire scene is set against a plain white background.
