Details

- All students at Hillcrest are highly encouraged to submit a project
- Experiments are to follow the Scientific Method:
Question → Hypothesis → Experiment → Data → Conclusion
- Projects are to be presented on a tri-fold display board, and the space on the table in front if needed
- Please do not bring in anything that may cause injury or a mess. If such things are used at home under adult supervision, and you want to include them in your display, please do so through a picture. If you have any questions, please check with Bob Zemple, bobzemple@gmail.com
- During the school day students will visit the gym to view all of the projects with their class. Each participant will be able to present his/her project to the teacher and classmates

- During the school day, each participant will present his/her project to a parent volunteer and receive feedback, a participation certificate, and a science fair ribbon.
- All participants are invited to an ice cream sandwich party at school on Thursday, May 16th @ 3:15pm
- All participants will receive one voucher to “skip morning work”
- All Hillcrest students and their families are invited to the reception in the Hillcrest gym from 4:00-4:45pm on Thursday, May 16th.
