6-8

ENROLLMENT

Approximately 785

SCHOOL STAFF

Approximately 100

SCHOOL HOURS

7:30 a.m. to 2:55 p.m.

MASCOT

Red Raider

History

The building currently known as PCMS began to house students in 1975, then known as Pulaski High School.

Because of great growth, in 1998 a referendum passed to build a new high school.

As a result, PCMS opened in 1999 as the district's first middle school.

School Highlights

ACADEMICS

- Strong focus on communication arts, mathematics, science and social studies
- Art, agriculture science, business, career and technical, FACS, health and wellness, music, and world language opportunities
- Electives allow students to be a part of 21st century and real world experiences
- Academic summer support programs in math and reading
- Outdoor environmental learning space — school forest and garden
- PCMS exceeds expectations in 2020- 2021 DPI School and District Report Cards
