

May 2023

Dear PCMS Families,

The 2022-23 school year will soon be ending and although the new school year is a few months away, it will come quickly. For some families, buying their child/children the needed school items puts an additional strain on tight family budgets. The Service League of Green Bay is busy planning the Green Bay Back to School Store to help support children and families. This coming year they will only be supplying backpacks to middle school students, **no school supplies.**

If you would like this opportunity for your child, please email District School Social Worker, Carly Cerrato, at [cmcerrato@pulaskischools.org](mailto:cmcerrato@pulaskischools.org)

**Deadline: June 16th, 2023**

**We will place the backpacks in students' lockers prior to the first day of school.**

Sincerely,

Carly Cerrato  
District School Social Worker
