Try Luge for Free in Ashwaubenon!

May 20-21, 2023

For kids age 9-13

The White Castle USA Luge Slider Search

Aside from providing a great chance to try a new sport, the USA Luge Slider Search is the primary means for identifying talented youngsters to become members of the National Luge Team structure. Does the program work? Just ask the 20 Olympians (and two medalists) discovered through the program.

Using wheeled sleds, kids will be taught how to safely steer and stop the sleds. Olympians and National Team athletes will be there to help and coach you.

An afternoon of fun could lead to Olympic glory.

► Free t-shirt for each attendee

Come have fun for free!
