### 12 Days - 11 Nights

*The sample itinerary described below is approximately like the one your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.*

Day 1 - Depart from Wisconsin and travel to your first overnight stop for lodging (*pack an overnight bag*); dinner is on your own this evening.

Day 2- Continental breakfast, then check out and continue traveling towards Canada. Arrive at your second overnight to check into your hotel (*pack an overnight bag*) and prepare for dinner on your own in the area.

Day 3 - Continental breakfast, then check out and travel to Bangor, ME where lodging has been arranged for you this evening. **Dinner** has been arranged for you this evening.

Day 4 - Your day begins with breakfast after which you will check out and travel to impressive **Acadia National Park on Mount Desert Island for a guided tour**. Nearly 50,000 acres of coastline and woods make up this park that is laced with more than 45 miles of carriage trails built by John. D. Rockefeller, Jr. **Cadillac Mountain** is the highest mountain on the eastern seaboard and is the crown jewel of Acadia. Later, you will arrive in the seaside village of **Bar Harbor** for lunch on your own. Afterwards, you will board the afternoon **High Speed Ferry** for the 3 1/2- hour crossing to Yarmouth, Nova Scotia. Dinner is on your own on board the ferry. Arrive in Yarmouth to check into your hotel for a restful evening.

Day 5 - Start your day with breakfast at the hotel, then depart on a tour along the southern shore to **Old Town Lunenburg**, a UNESCO World Heritage Site, where 70 of the original colonial buildings from the 18th and 19th centuries continue to greet visitors with their colorful facades. Enjoy a **walking tour of Old Town Lunenburg's distinctive waterfront** with its colorful buildings; listen for salty tales of seafaring and rum-running; discover a charming town filled with amazing restaurants, distilleries, breweries, artisans and unique shops. You will have time for lunch on your own before departing for picturesque **Peggy's Cove** to see the famous lighthouse that sits high upon the wave-worn granite of the coast in this quaint fishing village. The tiny harbor below is a masterpiece of seasoned fish sheds and colorful fishing boats ... one of the most photographed places in Canada. After your visit, check into your hotel in Halifax for a two-night stay. **Dinner** is included this evening.

Day 6 - Enjoy a breakfast, then spend the day **touring in Halifax**. Your tour begins with a visit to the **Maritime Museum of the Atlantic** which tells the story of the Great Explosion in Halifax Harbor in 1917 as well as the history of the sinking of the Titanic and the story of how the victims that washed up along Nova Scotia's shoreline were laid to rest. The Museum sits right on Halifax Harbor, which is the 2nd largest natural harbor in the world. This afternoon, you will enjoy a **Harbor Cruise** after which your city tour continues to **Fairview Lawn Cemetery**, where the victims of the Titanic disaster have been buried. Your day will end with a delicious **dinner** at another popular restaurant in the area.

Day 7 - After breakfast, check out and travel to the neighboring province of New Brunswick before crossing the incredible Confederation Bridge to Prince Edward Island. Enjoy a City Tour of Charlottetown. Continue to your hotel to check in for a two-night stay. This evening you will depart for dinner and a show at the **Confederation Center for the Arts** which celebrates the origins and evolution of Canada through a rich variety of heritage and arts. It is also home to the **Charlottetown Festival Theater** which has been producing **Anne of Green Gables - the Musical** every summer since 1965.

Day 8 - After breakfast, meet your guide for a **full day of touring of Prince Edward Island** which begins with the scenic village of New Glasgow where you will visit the **Prince Edward Island Preserve Company** for a chance to sample some of the wonderful products. Afterwards, continue to the National Historic Site of **Anne of Green Gables**, which is known for the world-famous novel written by island native Lucy Maud Montgomery. Step back in time as you visit the carefully maintained home, in the 1800s style, of fictional character *Anne of Green Gables*. Later, you will enjoy a traditional, Prince Edward-style **lobster dinner**. Return to your hotel for a relaxing evening.

## CLASS & OFFERINGS DISCLAIMERS

When classes, camps and other offerings are placed in this magazine it is done to provide our community with information about life-long learning opportunities. We gather the information from the instructors and coaches and place it into our magazine. Typos and errors are possible even with proofing attempts. We include the contact information so that you can call the instructor or coach directly, as well as the building being used. Supervisors sometimes must make changes after the magazine has gone to print. We apologize for any inconvenience these changes may cause, but we cannot be held responsible for them, or the announcements of them. **Changes are posted as soon as we are made aware of them in our line version at [www.pulaskischools.org/page](http://www.pulaskischools.org/page).**

PACE tries very diligently to only include reputable and reliable information; please let us know if there is anything we should be made aware of with our offerings. Thank you for your understanding. **All PACE classes are open to everyone in this area.**

We have many great opportunities for all children including Parochial School, Home Schooled students, and adults. Age limits for each class do not apply to everyone. The district does not discriminate in admissions to any school, class, program or activity based on traits of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws. For the safety of our community, School Closings and Early Releases due to weather or emergencies means that **all** PACE activities are also canceled for that evening. Offerings in this magazine can now be registered or paid for online using the directions on the home page.
