## WELCOME

Welcome to Pulaski Summer School 2023. We are excited to be back for another great year of summer school in the Pulaski Community School District.

### From the Director

Dear Summer School Families,

We are open for business. We are going to have another great summer program brought to you by some of the best teachers in the world. We will again have free breakfast and lunch as an option for you. Busing will also be an option.

As in the past, our 4K and 5K students will be at Hillcrest Elementary. For grades 1-12, the majority of the program will be at the Middle School. As in the past, the heart of the program will run from 8am - 1:15pm. There is also the option of an extended day for those who need it. We will continue to look for additional teachers and will open slots as soon as we can.

Looking forward to seeing everyone on June 19th.

Mark

Please send the following item to school with your child daily:

1. A backpack that is labeled on the outside with your child's first and last name and contains a change of clothes, especially undergarments, socks and shoes.
2. Cold lunch. Milk and water will be provided. Morning and afternoon snack is also provided.
3. If your child is signed up for busing, you will receive a bus tag to attach to their backpack that identifies their bus route.
